

What level am I?

Discovery Lesson

I've never skied or snowboarded before and I want to give it a short trial.

Beginner

I've done a Discovery Lesson and want to learn more.

Level 1

I can take the learner flying carpets, make controlled basic turns and can stop on the beginner area.

Level 2

I can take blue flying carpets. I can make linked basic turns with comfortable speed control on all green runs.

Freestyle: I can take small jumps on the flat ("ollie").

Level 3

I can take the chairlift up to the mid-station.

Skier: I can keep my skis always parallel on blue runs.

Snowboarder: I make basic carved turns on blue runs.

Freestyle: I can ski or ride switch.

Level 4

I can take the chairlift to the top. I make strong turns on red runs with confidence and control my speed.

Freestyle: I can ski or ride the small rails & jumps.
